

CANOPIES AND DOOR SURROUNDS

We offer an extensive range of window and door canopies. These decorative or functional canopies offer full weather protection. Our GRP solutions can be tailored and designed to suit both period and contemporary settings.

PORTICOS

A variety of designs both large and small are available. Our technical sales team will help you design the products to meet your needs.

COLUMNS

Our range of columns are available in a wide choice of different sizes. All columns are finished in matt white.

DORMERS

GRP dormers save time and money. A one piece GRP dormer offers ease of installation, low maintenance and no delay to finishing trades. Our dormers are pre-insulated and available in a range of finishes, including brick, stone, tile, lead and render.

BESPOKE SOLUTIONS

We can manufacture almost anything using GRP from brick cladding panels to gargoyles. Choose from our existing range or create a bespoke design to your own exact specification.
