## Where to find the innovation centre

### **THE BANBURY GROUP HELPING YOU TO PROFIT FROM INNOVATION**

- Established in 1990, limited company, privately owned
- An exciting business with accredited and proven products
- Five companies within the group covering the UK
- Experienced team with over 40 years in construction
- Our customers include Taylor Wimpey, Kier Construction, many small builders, merchants and major architectural practices

### **OUR MISSION**

***Reduce construction time, improve insulation, reduce the carbon footprint, provide lightweight materials that are easier to handle, reduced storage and handling costs, deliver more durable longer lasting and lower maintenance solutions.***
